Enjoy the starkly beautiful landscape of Patagonia as you drive to a local ranch, located only a few miles from the coast. At the ranch you will get a glimpse of the many different natural wonders of this remote quarter of South America.

While you are at this fascinating place you will discover how the hardy people who inhabit this rugged, arid region live and how they have learned to use the few natural resources available to sustain life in Patagonia. Then watch a sheep-shearing demonstration. Afterwards enjoy a delicious, typical Patagonian lunch before driving back to Puerto Madryn and the ship.
